Spa Use & Treatments

All clients wishing to undertake spa treatments must complete a pretreatment consultation form. Any information affecting your treatment must be included on this form which will be held for up to 12 months.

Clients with medical conditions must have doctors' pre-approval to attend.

Our professional spa therapists will advise, adjust or refuse treatments in line with their knowledge and our professional insurance coverage.

Children under the age of 12 cannot receive spa treatments at Dunamoy.

Children over 12 years old but under 16 can have suitable 30 min treatments but must have their parents' permission and a responsible adult in attendance for the duration.

No food is permitted within the thermal spa areas.

No glassware is permitted within the thermal spa areas (indoor or outdoor).

It is the client's responsibility to read and adhere to all safety notices and guidance whilst visiting Dunamoy Spa. Key safety information to adhere to is also available on:

- pool room doors,
- all changing room doors
- outdoor spa hall areas
- cold water drench bucket wall
- steam room exterior wall

If you require these instructions to be read or explained further, please inform the reception spa upon arrival.

The Spa has several wet floor areas by nature of the environment so appropriate care and attention relative to your own ability must always be taken during your visit.

Please never run or walk without due care and attention on wet areas.

Always shower prior to spa pool use to remove body oils and debris, especially from your feet which can make pool entry slippery.

Please enter the pool safely with care and attention via the non-slip tread on steps and using the handrail. Do not attempt to enter the pool from any other area.

The steam room has a steam on demand function, please read and adhere to the warning signage prior to use. Always seek your doctors' advice prior to use.
